Cash Rewards Paid:

- \$100 for uploading and separately promoting 20 or more qualifying videos*

Terms and Conditions

- This promotion begins May 1, 2019 and may run until September 30, 2019, though ModelClips reserves the right to terminate the promotional period sooner. Only qualifying videos uploaded for the first time during the promotional period qualify for the cash bonus. If ModelClips does terminate the promotional period early, a new termination date will be announced.
- *The maximum payout to any single model will be \$100. For example, if a model initially uploads five videos and receives \$50, then proceeds to upload 15 more videos (for a total of 20 uploaded videos), the model will only receive an additional \$50.
- All qualifying videos must be uploaded within 30 days of the first uploaded video. For example, if you upload your first qualifying video on May 10, then you have until June 10 to upload all of the qualifying videos you can to qualify for the bonus. If you upload 19 videos before June 10, then one more after June 10, you will only qualify for the first \$50 bonus (for five videos), but not the additional \$50 bonus for uploading 20 videos.
- Models will receive each cash bonus in the first regular payout after meeting the eligibility criteria.
